raises itself and
becomes more conspicuous
in times

*If I were asked to say
what is at once the most important
production of Art and the thing
most to be longed for, I should answer*

A BEAUTIFUL HOUSE

*and if I were further asked to name
the production next in importance
and the thing next to be longed for
I should answer*

A BEAUTIFUL BOOK

*To enjoy good houses and good books
in self respect and decent comfort
seems to me to be the pleasurable end
towards which all societies
of human beings
ought now to struggle*

WILLIAM MORRIS

**It is not by wearing down
into uniformity all that is
individual in themselves,
but by cultivating it and
calling it forth within the
limits imposed by the rights
and interests of others,
that human beings become
a noble and beautiful
object of contemplation;
and as the works partake
the character of those
who do them, by the same
process human life also
becomes rich, diversified
and animating.**
